

Model

## N-IP-TC01

### Application :

IP Keyboard Controller can be applied to installed in Multi-IP PTZ camera places, such as school, hospital, hotel, factory, workshop, etc., realize the unified control of the Onvif protocol in the LAN.

### Production Instruction :

Effectively prevent from scratching. Using industrial-grade LCD, display excellent quality .Covered with a layer of rigid organic glass makes the characters more clearly. It supports Onvif protocol, high compatibility, extension IP keyboard controller adopt aluminum wire , high-end atmosphere, unique surface hardening, built-in web server configuration interface more simple and more clear, easy operate , just few steps can control IP PTZ camera

### Key Features :

- Support Network control model, It has unique IP address.
- Support ONVIF protocol, realize the control to PTZ.
- Support Auto-search the ONVIF devices in LAN
- Support Offline search & add devices.
- Support Max 253pcs front-end equipments in one LAN.
- Support control IP PTZ to call and set Presets, zoom, focus, Iris, Wiper and Tour functions....etc.
- Support adding the front-end equipments 's parameter in IE Browser.
- Japan-Original 4D Joystick
- 160x32 blue LED displayer, can display IP PTZ's status info.

### Technical Parameter :

Model No. :	N-IP-TC01
Main Chip:	Grain GM8126
RS485:	1pc 3.81 Pin, TA, TB
RS232:	1pc DB9 male pin
Ethernet:	1pc Ethernet, IEEE 802.11 b/g/n
Protocols:	Onvif 2.4
IE browser:	IE, Firefox, Chrome, Safari ...etc
Working Temper ature:	0.~55. / 14.F~131.F
Working humidity:	20% - 80% (frostless)
Storage Temperature:	-10.~60. / 14.F~140.F
Storage Humidity:	.90%RH( frostless)
Size:	320mm X 180 mm X 110mm
Weight:	3KG
Power supply:	DC 12V/ 1A
Certificate:	CE, FCC, RoHS
Warranty:	1 year
